

NPMS Code of Support

The NPMS Volunteer Coordinator will be available to contact using the following details:

Tel: 01722 342 743

Mob: 07741 314155

Email: support@npms.org.uk

Post: Plantlife, Brewery House, 36 Milford Street, Salisbury, SP1 2AP

We will aim to respond to all enquiries within one week and will use appropriate out of office messages if otherwise.

Volunteers can expect to be notified when additions are made to website e.g. new workshops, guidance, squares or blogs.

A series of habitat focussed newsletters will also be circulated in 2016 as well as feedback about the preliminary results. These newsletters will also grow and develop as we begin to hear more stories from volunteers.
