

## Volunteer Role

<b>Role Title:</b>	NPMS Volunteer Mentor
<b>Where:</b>	Your local area/county
<b>When:</b>	All year round but mainly April - October
<b>Commitment:</b>	Can vary according to demand but usually a couple of emails a week (will vary depending on demand)
<b>Why We Want You:</b>	<p>The NPMS would like to provide its volunteers with as much support as possible to ensure that their experience in a positive one and the data is collected accurately and efficiently. To increase this we are looking for mentors who can provide support to less confident volunteers in their local area.</p> <p>The role would involve dealing with local NPMS enquiries mainly via email. The two main focus areas are:</p> <ul style="list-style-type: none"> <li>• Helping volunteers to move from recording at the Wildflower level to the Indicator level</li> <li>• Enabling and assisting with online data entry (only for those that want to assist with this)</li> <li>• Botanical identification queries</li> </ul>
<b>What's In It For You:</b>	<p>A chance to meet like-minded volunteers via regular zoom catch ups</p> <p>1-2-1 Zoom meeting to iron out any queries you may have about the scheme</p> <p>Develop your communication and teaching skills</p> <p>A way to be involved in the scheme if you can't actively survey</p>
<b>The Skills You Need:</b>	<p>At least 1 year of botanical survey experience, the ability to survey at the NPMS Indicator level</p> <p>Good communicator</p> <p>IT Skills - email, experience using the NPMS website (further training can be provided)</p>
<b>Notes:</b>	Reasonable travel expenses incurred whilst volunteering will be reimbursed.
