

Volunteer Role

Role Title:	NPMS Volunteer Mentor
Where:	Your local area/county
When:	All year round but mainly April - October
Commitment:	3-4 hours per week (will vary depending on demand)
Why We Want You:	<p>The NPMS would like to provide its volunteers with as much support as possible to ensure that their experience in a positive one and the data is collected accurately and efficiently. To increase this we are looking for mentors who can provide support to less confident volunteers in their local area.</p> <p>The role would involve dealing with local NPMS enquiries either via email or face to face. The two main focus areas are:</p> <ul style="list-style-type: none"> • Helping volunteers to move from recording at the Wildflower level to the Indicator level • Enabling and assisting with online data entry
What's In It For You:	<p>A chance to meet like-minded volunteers</p> <p>Free training workshop - iron out any queries you may have about the scheme</p> <p>Develop your communication and teaching skills</p> <p>Add volunteering to your CV</p>
The Skills You Need:	<p>At least 1 year of botanical survey experience, the ability to survey at the NPMS Indicator level</p> <p>Good communicator</p> <p>IT Skills - email, experience using the NPMS website (further training can be provided)</p>
Notes:	Reasonable travel expenses incurred whilst volunteering will be reimbursed.
